Trillium Families,

The end of the school year is fast approaching. We are beginning our forecasting for next school year (2010-2011). Please let us know whether your child/ children will be returning to Trillium next year. Please fill out this form and return it to the front desk by **March 19, 2010**. This will help us determine how many openings for new students we will have next year. Also, please submit applications for any siblings that will be attending Trillium next year by our application deadline of April 1, 2010.

This form is your way of making sure that your student has a spot at Trillium next school year. If we do not receive your form by **March 19, 2010** we will have to give your students spot away.

As always if you have any questions feel free to contact us.
Thank you very much,

Cailie Madigan
